### SAS Customer Recognition Awards Information

The SAS Customer Recognition Awards were created to recognize and reward SAS customers and partners who help us change the world through analytics. The awards will recognize customers and partners for their stand-out contributions over the past year. We want to celebrate you!

Join us at SAS Explore, September 11-14, 2023 in Las Vegas, NV where we will honor the award winners. Each first place winner will receive registration and travel for one person to attend SAS Explore. You will also get a trophy and SAS swag!

The award categories are listed below. You may submit to multiple categories, but only one entry per category per company is allowed. When you are ready to submit your entry, click on the orange "Enter the Contest" button at the top right of the page. The submission window will close June 2, 2023. By posting an entry, you agree to the terms and conditions on the right and if you are a first place winner, you agree to create a video about your submission.

After reviewing all submissions for completeness, each entry will be displayed on the contest entries page. Public voting will open on June 12, 2023 and run through June 23, 2023. After public voting closes, a panel will score each entry based on three criteria: spirit of the story, strength of evidence and results. Winners will be determined by a combination of public voting and panel scoring. First place winners will be notified following the panel voting, but winners will be publicly announced at SAS Explore in Las Vegas, NV, September 11-14, 2023 and subsequently posted to the winner contest page.

If you have any questions about the awards or submission process, please
