# E-Learning subscription package

Navigate to <http://learn.sas.com> and click Learning Path

The screenshot shows the SAS Learn website interface. At the top, there is a navigation bar with the SAS logo, 'LEARN', and a search bar. Below the navigation bar, there is a 'Browse Catalog' section with the text 'Follow guided learning paths at your own pace or sign up for expert-led classes.' The main content area displays a grid of learning path subscriptions, each represented by a card with a 'LEARNING PATH' label and a diagram of interconnected nodes. The subscriptions include: SAS 9 Data Management Learning Subscription, SAS Administration Learning Subscription, SAS Advanced Analytics Professional Subscription, SAS Advanced Machine Learning Subscription, SAS Advanced Programming Professional Subscription, SAS Advanced Regression Learning Subscription, SAS AI and Machine Learning Professional Subscription, and SAS Biostatistics Learning Subscription. On the left side, there are filters for 'Subject', 'Skills', 'Levels', and 'Learning Types'. The 'Learning Types' filter is highlighted with a yellow circle and shows 'Learning Path' selected. The bottom left corner features the 'fans' logo and 'Copyright © SAS Inc.', and the bottom right corner features the SAS logo.

# E-Learning subscription package

Select the path you are interested in

The screenshot shows the SAS Learn website interface. At the top, there is a navigation bar with the SAS logo, 'LEARN', and a search bar. Below the navigation bar, there are several learning path cards arranged in a grid. Each card features a 'LEARNING PATH' icon and a title. The 'SAS Programming Learning Subscription' card is highlighted with a yellow circle. Other visible cards include 'SAS Forecasting and Econometrics Learning Subscription', 'SAS Fraud and Security Intelligence Learning Subscription', 'SAS Health and Life Sciences Learning Subscription', 'SAS Internet of Things Learning Subscription', 'SAS Marketing Research Learning Subscription', 'SAS Predictive Analytics and Machine Learning Subscription', 'SAS Prescriptive Analytics Learning Subscription', 'SAS Risk Management Learning Subscription', 'SAS Social and Behavioral Research Learning Subscription', 'SAS Statistics Foundations Learning Subscription', and 'SAS Studio Learning Subscription'. A sidebar on the left lists various SAS products like DataFlux Data Management Server and Studio. The bottom of the page features the 'fans' logo and 'Copyright © SAS Inc.' on the left, and the SAS logo on the right.

## SAS Programming Learning Subscription

For programmers, statistical programmers, and data analysts who want to build a strong SAS programming foundation to manipulate data, perform complex queries and simple analyses, and create reports.

**ENROLL FREE**  
7-Day Trial

Overview Courses Products Certification

### About this Subscription

The SAS Programming learning subscription includes everything that you need to master foundation SAS programming and data analytics skills and earn a SAS Programming certification. It also covers building tabular reports, generating high-quality graphics, and performing basic statistical analysis. [Find additional resources here.](#)

Learn how to:

- Define the basics of data literacy, including common terminology and using data in meaningful ways.
- Understand the fundamentals of the SAS programming language.
- Develop SAS code in various SAS programming interfaces, including SAS Studio, SAS Enterprise Guide, and the SAS windowing environment.
- Manipulate and transform data and combine data sets.

Purchase this digital subscription to:

- Unlock digital courses**  
Unlimited access to digital courses and books in this subscription.
- Prepare for certification**  
Unlimited access to certification preparation materials.
- Shareable digital badges**  
Earn a digital badge for each completed course.
- Hands-on learning and practice**  
Get Full access to SAS software to practice as you learn.

fans Copyright © SAS Institute Inc. https://learn.sas.com/totara/program/view.php?id=28#courses-tab Microsoft Excel, or text), and explore and prepare the data. sas

# E-Learning subscription package

Click ENROLL in the left box. The right one, "200+ on-demand courses", is not included in the benefit.

	Content Subscription	Learning Subscription
On-Demand Courses	Courses listed above	200+ courses
Certification Preparation		

# Write FANS member in the Promo Code field

The screenshot shows the SAS e-Learning checkout page. The browser address bar is `support.sas.com/edu/viewcart.html?ctry=SE`. The page header includes the SAS logo, 'LEARN', and navigation links like 'Courses', 'Overview', 'Programs', 'Corporate Training', and 'My Training'. The main content area is titled 'Checkout: Cart > Attendee > Payment Info > Review > Confirmation'. It displays an 'e-Learning' item:

Title	Access Period	Fee	Edit
SAS Programming Learning Subscription	365 days from order date	7 435 SEK	

Below the item, there are input fields for 'Quantity' (value: 1) and 'Promo Code' (value: FANS member). The 'Promo Code' field is circled in yellow. At the bottom right, the total is 'Total: 7 435 SEK \*' with a note: '\* Final pricing, including discounts and taxes if applicable, will be reflected on your invoice. View Training Addendum for legal terms and conditions'. There are buttons for 'Add More Training' and 'Checkout'.

# Lotteri

Prylar i ingen speciell ordning...

- Hoodie (Strl L, X, XXL)
