The agenda 7. October

14.00 - 14.10: Welcome

14.10 - 14.35: IBM experience with different deployment scenarios and platforms - from a technical to a financial perspective

The presentation will focus on two relevant items. Item one will focus on IBM's experience with implementing SAS in the cloud. This includes the challenges that they have seen and how these challenges have been resolved, the customer experience that triggers engagement with IBM, as well as the technologies and know-how that IBM put into creating a successful implementation in the cloud. The second item will present IBM's experiences from working in decades with the SAS institute as a partner to evolve the optimal platform for the execution of SAS workloads. This topic will present a comparison between different platforms and showcase drawbacks and benefits for each platform. Finally, there will be an open Q&A.

The presentation will be held by Camilla Rosendal Madsen and Preben Jacobsen from IBM.

14.35 - 15.05: Keeping your SAS platform secure

Examples from Posten will be presented.

 The p*resentation will be held by Nils Erik Fossum, Posten and Michelle Homes, Metacoda.*

15.15 - 15.25: SAS Viya 2020.X order process – short intro about https://my.sas.com

The p*resentation will be held by Ole-Martin Hafslund, SAS Institute.*

15.25 - 16.40: Live Deployment of SAS Viya 2020.X in a 5 servers Kubernetes cluster

The p*resentation will be held by Ole-Martin Hafslund, SAS Institute.*

16.45 - 17.00: SAS Viya versions – the differences on releases in a Continous Delivery world

The p*resentation will be held by Ole-Martin Hafslund, SAS Institute.*

Teachers: Leading in crisis, reimagining the future

World Teachers' Day October 5th

JOINT STATEMENT FROM UNESCO, ILO, UNICEF AND EDUCATION INTERNATIONAL:

"In this crisis, teachers have shown, as they have done so often, great leadership and innovation in ensuring that #LearningNeverStops, that no learner is left behind. Around the world, they have worked individually and collectively to find solutions and create new learning environments for their students to allow education to continue."
