You are running SAS 9. Some SAS 8 files will be automatically converted  
by the V9 engine; others are incompatible. Please see  
<http://support.sas.com/rnd/migration/planning/platform/64bit.html>

PROC MIGRATE will preserve current SAS file attributes and is  
recommended for converting all your SAS libraries from any  
SAS 8 release to SAS 9. For details and examples, please see  
<http://support.sas.com/rnd/migration/index.html>

This message is contained in the SAS news file, and is presented upon  
initialization. Edit the file "news" in the "misc/base" directory to  
display site-specific news and information in the program log.  
The command line option "-nonews" will prevent this display.
