

The image shows a web browser window displaying the SAS Studio interface. The browser's address bar shows the URL: `localhost:49945/main?locale=ar&zone=GMT%252B02%253A00&sutoken=%257BEE60E1A9-44A9-4BE8-A0C4-E000C7...`. The SAS Studio header includes the text "SAS Studio" and "SAS Programmer" with a user profile icon and a "Sign Out" link. On the left, the "Files and Folders" pane shows a tree view with "Folder Shortcuts" containing "Desktop" and "My Documents", and drive letters "C:\", "D:\", and "E:\". The main workspace is titled "Program 1" and contains a code editor with the text "1 Enter your code here". A dropdown menu is open over the "SAS Programmer" header, listing the following options: "Edit Autoexec File", "View", "Preferences", "Tools", "Batch Submission Status", and "Reset SAS Session (F9)".
